

\$22,250 Still to be Raised In Community Chest Drive

Intent upon raising another \$22,250 needed to complete the Harbor area's \$85,000 goal, the 1954 Community Chest organization moves into the final stages of a month-long campaign with a 75 per cent quota and a record of 14,000 contributors, according to Area Chairman Tommy Thompson.

Calling upon volunteers and residents alike to do their part toward accumulating the balance of the goal, Thompson said that judging by last year's record of 20,550 subscribers, another 6000 donors—"whose gifts would surely make up the current Chest deficit in the Harbor Area" have yet to contribute.

Lagging
"The fact that we are behind last year's 95 per cent quota

registered at this stage of the campaign," he said, "should illustrate the importance of the individual gift."

Re-asserting that the continued support of the Red Feather services depended upon the achievement of all goals, Thompson said campaign leaders hope to come up with complete quotas at the final report meeting next Wednesday, Dec. 8 to contribute to the overall success of the Los Angeles area campaign.

Latest Figures
City Chairman Mrs. Ella Schwartz reports that Torrance, which at this time last year claimed a 106 per cent quota, falls \$2000 short of its current \$18,000 city goal, now at the 89 per cent mark. Latest figures on the local appeal are as follows:

Residential—\$10,546, 92 per cent of \$11,373 quota; Mrs. Schwartz, chairman.

WATER RATE HIKE ASKED

Water costs may go up 13 per cent for residents of Hollywood Riviera and Seaside Ranchos if a petition filed with the Public Utilities Commission is granted.

The California Water Service Co., which serves the areas, filed the petition. The company claimed that curtailment of West Basin pumping will require them to get a costlier supply of water from the Metropolitan Water District. Their supply from the West Basin will be cut 47 per cent, the petition stated.

Mr. and Mrs. Egger Alexander, of 2787 Sonoma St., announce the birth of a daughter, Nebra Marie, weighing 7 pounds and 4 1/2 ounces.

MEN NOW MAKE PASSES AT GALS WEARING GLASSES

The classic Ogden Nash line that "men never make passes at girls who wear glasses" is outdated according to modern-day frame stylists. Ophthalmic frames are now individually designed to accentuate milady's finer facial attributes and subtly subdue less favorable contours.

The cosmetic value of frames is illustrated by the exhibit of replicas of costly eyewear on display in the 1268 Sartori avenue offices of Dr. Soss and Dr. Kline, local optometrists.

Fabulous Frames
Prices of the original jeweled frames represented in the collection range from \$500 to a fabulous \$80,000.

The latter production, containing 55 carats of marquis diamonds and 12 oriental pearls,
